Anne Arundel County, Md.— Through the Bello Machre "Ray of Hope" program and three local businesses, Zack had an early Christmas surprise. With donated funds from Corporate Brokers (Annapolis, MD), Annapolis Civitan #177 (Annapolis, MD), and Dr. Denis Markoff-Landolf with Federal Hill Smiles (Baltimore, MD) Bello Machre purchased a specialized tricycle for Zack.

This specialized therapeutic tricycle helps Zack with his leg motion and coordination. After a traumatic brain injury three years ago, Zack is continuing to thrive and progress through therapy and special education.

Thanks to the help of our wonderful community partners, Zack's Christmas wish came true. His very own bike! Zack can now participate in an activity that every young child enjoys— riding his bike in the neighborhood. His mom, Angie Beswick said, "I'm so thankful to Bello Machre and all of the people who made this an unforgettable Christmas for Zack. Everyone's generosity means so much to us."
